**OFFICE OF PETITIONS**

In re Application of :  
Christian DAVID et al. :  
Application No. 10/540,754 : **DECISION ON PETITION**  
Filed: June 24, 2005 :  
Attorney Docket No. 2003P07571 :

This is a decision on the petition, filed July 29, 2010, which is being treated as a request under 37 CFR 3.81(b)<sup>1</sup> to correct the assignee's name on the Fee(s) Transmittal form PTOL-85(b) so that the Letters Patent will issue to the assignee.

The request is **DISMISSED**.

Petitioner states that the correct assignee's name is Eulitha AG and that an incorrect assignee's name was included on the Part B - Fee(s) Transmittal form at the time of payment of the issue fee. Accordingly, petitioner requests that the patent issue to Eulitha AG.

37 CFR 3.81(b), effective June 25, 2004, reads:

*After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a)) and the processing fee set forth in § 1.17(i) of this chapter.

---

<sup>1</sup> See MPEP 1309, subsection II and Official Gazette of June 22, 2004

The request under 37 CFR 3.81(b) was not accompanied by a request for a certificate of correction (and fee as set forth in § 1.20(a)) as required by 3.81(b). *See also* MPEP 1481.01. As petitioner has failed to comply with the provisions of 37 CFR 3.81(b), the request cannot be granted at this time.

A review of Office database assignment records reflects that an assignment to Eulitha AG has been recorded. Therefore, upon submission of the required certificate of correction and fee, it would be appropriate for the Office to issue a certificate of correction to correct the front page of the Letters Patent to reflect that Eulitha AG was the assignee of record at the time of issuance of the application into a patent. *Note also* 35 U.S.C. § 152.

In view of the above and **after issuance of this application into a patent, the Certificates of Correction Branch is instructed to issue a certificate of correction upon submission by petitioner of a request for a certificate of correction (and fee) which sets forth Eulitha AG, as the assignee.** *No certificate of correction will be issued which sets forth an assignee other than the assignee set forth in this request. A copy of this decision must accompany the request for a Certificate of Correction.*

No further renewed request under 37 CFR 3.81(b) is necessary for consideration by the Office of Petitions for issuance of a certificate of correction in the name of the assignee set forth in this request, since this decision operates as an instruction to the Certificates of Correction Branch to issue the requested certificate of correction.

Inquiries concerning this decision should be directed to Michelle R. Eason at (571) 272- 4231. Any questions concerning issuance of a certificate of correction should be directed to the Certificates of Correction Branch at (571) 272-4200.
